LO SCARABEO

Panta Rhei – Everything Flows

Back in Ancient Greece, the saying “Panta Rhei” spoke to the inevitability of change, highlighting the ongoing evolution of progress. As the philosophers wisely noted, one cannot step into the same river twice – for its waters are ever-changing. This idea always comes to mind around this time of the year as I sit down to write the introduction to our new catalogue. It’s a moment to reflect on the time passed and the changes that lie ahead.

The year 2023 has brought its fair share of transformations, and our publishing house is no exception to the ebb and flow of this ever-evolving world.

In November last year, Milan saw the passing of Severino Baraldi, a cherished artist who etched an everlasting legacy in the history of Lo Scarabeo and within the hearts of our entire editorial team. Throughout his exceptionally lengthy career, Baraldi has created decks of tremendous success and timeless beauty. **The Royal Animals Tarot** (page 7), prominently featured among this year’s new releases, stands as the crowning achievement of this remarkable illustrator’s final works – a testament to his brilliance and friendship. Our warmest thoughts are dedicated to the memory of this extraordinary artist.

Yet, in the midst of challenges, the past year gifted us with truly wonderful moments. Last fall, we joyously gathered to celebrate Jessica’s wedding, a cherished member of the extended Lo Scarabeo family. This joyful occasion serves as a powerful reminder that sharing life’s happy events with our nearest and dearest can overcome any difficulty.

These uplifting memories are the driving force that encourages us to confront the inevitable changes that time unfolds, both in our personal and professional lives.

Fueled by this positivity, we embraced this spirit of creative energy, giving rise to new and original projects, such as the vibrant **Supernova Tarot** (page 2), and narrative wonders like the **Under the Oak Tarot** (page 3) and the enchanting **Vespertarot** (page 10). Amidst the exciting array of new products in this catalogue, noteworthy mentions include the magical **Once Upon a Time Tarot** (page 1), the botanical elegance of the **Herbarium Oracle Cards** (page 14), and the culturally rich **Yokai Tarot** (page 8) – a deck entirely devoted to Japanese spiritual traditions, exploring themes of nature, imperfection, and the ephemeral, which represents the transient nature of existence.

And here we are once again, immersed in the timeless essence of Panta Rhei – “Everything Flows.” Maybe, rather than seeing time as merely changeable, we could better describe it as cyclical, which in a way echoes the nature of this introduction.

Undoubtedly, the wisdom in the philosophers’ words holds true: “one cannot step into the same river twice.” Time presses on, ushering in constant change. But this is only a challenge for those who resist the current.

Here at Lo Scarabeo, we embrace this flow, sailing wholeheartedly into the new year – exploring new and exciting horizons.

In 1887, The Hermetic Order of the Golden Dawn encouraged its members to create their own deck, both conceptually and artistically. The Invisible Tarot takes inspiration from this practice, offering to the most intuitive and creative minds a chance to express themselves with a deck of 78 blank cards, ready to be customized. The unconscious fills the empty spaces with personal symbols, capturing the essence of the arcana and creating an intimate and secret bond between the author and the divination tool.

Fabio Listrani Size 390x290 mm. Instructions. Multilingual edition. 978-886527495-8
One of the most famous tool for communication with spiritual entities, the Ouija board was used by mediums in the XIX century and still remains one of the safest and easiest techniques to contact the spiritual plane. This board is not in wood, but printed on cloth, over a 3 mm base, so it's much lighter, more resistant, and easier to carry around and store when not used. Includes instructions and the techniques to use the board.
